Luxury Link and Orchid Resorts & Escapes Team Up to Bring More Exceptional Properties to the Sophisticated Traveler

Los Angeles (June 30, 2009)- Luxury Link (www.luxurylink.com), the online luxury travel resource that offers high-end trips to destinations around the globe, announces its partnership with Orchid Resorts & Escapes (www.orchidworldwide.com) the boutique hotel brand representing unique and extraordinary properties. Orchid Resorts & Escapes properties include Dunton Hot Springs, Winvian and The Pitcher Inn (among many others...). They join Luxury Link's esteemed portfolio of world-class hotels, resorts and tour companies in over 60 countries, gaining instant access to the sophisticated Luxury Link consumer.

History comes alive at **Dunton Hot Springs**. Located near Telluride, Colorado, this historic mining town has been restored and converted to an exclusive resort. Guests can choose from a range of activities including helicopter skiing and river rafting, or simply relax in the natural hot springs. While the hand-hewn log cabins create a rustic atmosphere, make no mistake, this resort is top quality from the exquisite cuisine to the holistic spa treatments. For the ultimate seclusion, guests can rent the entire town for themselves, making it the ideal venue for weddings or corporate retreats.

Set on 113 acres in Connecticut's scenic Litchfield Hills, **Winvian** is the perfect place for a quiet getaway. The property includes eighteen private cottage accommodations, each providing a unique experience that is bound to enchant. There is the traditional grace of the Library Cottage and the creative comfort of the Artist Cottage. Or, for the more unconventional traveler, the Helicopter and Treehouse cottages stir the imagination. Winvian also brings new meaning to the term "pet friendly" with its *Saddle Up Package* offering room and board for guests as well as their equestrian companions.

The Pitcher Inn has been a scenic retreat for guests since the 1850s. Located in the heart of Vermont's Green Mountains, it serves as an ideal base for a number of outdoor activities year-round. Each of the eleven guest rooms feature distinct designs but share a common Vermont theme. After a long day in the great outdoors, guests can satisfy their appetite with meals made from the freshest local and regional ingredients or sample a bottle from the award-winning Wine List.

"Orchid was formed as a way for me to bring together exceptional, yet whimsical properties whose unique nature fit the destination that they are in," said founder Stacy Dreyfus. "I'm looking forward to working with Luxury Link and growing our business together."
